Applications are limited to \$50,000 for any one eligible public school or nonpublic school building, up to a maximum of \$250,000 per school district or intermediate school district (ISD). To be eligible for the maximum award of \$250,000, school districts or ISDs must apply for funding that will be utilized at five or more qualifying school buildings (e.g., a district proposing projects at three eligible school buildings may apply for not more than \$150,000). If schools from the same district apply as individual applicants, the maximum award of \$50,000 per building and \$250,000 per district still applies, and the combined total for those individual schools shall not exceed \$250,000.

A completed and signed application (including any attachments) must be received by the MSP GCSD, via email to MSP-SchoolSafety@michigan.gov no later than 12 p.m. (noon) EDT on March 24, 2022. The time of receipt by the MSP GCSD is determined by the time stamp provided by the state of Michigan email system. Applicants are **strongly encouraged** to submit their application in advance of the due date to avoid any delays in electronic mail delivery. There will be no extensions of this deadline. Applications received by the MSP GCSD beginning at 12:01 p.m. EDT on March 24, 2022, and thereafter, will not be considered for funding.

Contracts for grant-related materials, equipment, services, etc. shall not be entered into; nor shall any expenses be incurred, prior to the date of the GCSD director's signature on the grant agreement.

is in compliance with the following statute:

YES
NO
MCL 380.1308b (2018 PA 436) by having reviewed and updated the Emergency Operations Plan (EOP) for each school building identified in this application since the completion of the 2020-2021 school year. If the applicant is a public school, public school district, public school academy, or ISD, the EOP must be certified in the MEGS+ system when the system allows.

As a separate attachment to the application document, provide a project narrative using the following criteria: Microsoft Word document, single spaced, *not to exceed 500 words*. The following sections shall be included in the project narrative and clearly identified:

- **Project Overview** – Provide a brief summary of the project(s).
- **Project Implementation and Timeline** – Describe the implementation steps needed to ensure the project's success. Include an estimated timeline of when each step will be completed.
- **Project Upkeep** – If the project requires ongoing maintenance (e.g., software licenses, software updates, physical inspection, repair/replacement due to regular use, etc.) describe how the project(s) will be funded and maintained after the end of the grant period. This section is not necessary if the project does not require ongoing maintenance.

Applications submitted with project narratives that do not conform to the above listed requirements may be removed from consideration for funding.
